These contracts are in addition to the existing 2,212 contracts previously awarded under the SeaPort Enhanced (SeaPort-e) acquisition program for services procurements. The government estimates a maximum of \$5,300,000,000 of services will be procured per year via orders issued under the SeaPort-e multiple award contracts. The awards have a three-year base period with one five-year award term. These contracts were competitively procured via the Navy Electronic Commerce Online (NECO) with 358 offers received and 333 contracts awarded. Contract funds will be obligated at the time of task order award and as such, multiple funding types (with varying expiration dates) may be used, consistent with the purpose for which the funds were appropriated.

2. The Naval Sea Systems Command, Naval Surface Warfare Center, Dahlgren Division, Dahlgren, Virginia is the contracting activity (N00178-11-D-6408-N00178-11-D-6740). The Navy point of contact is [REDACTED]

Sincerely,

P. N. JAENICHEN
Captain, U.S. Navy
Deputy Chief of Legislative
Affairs
